

The Rollins-PCI Construction Golden Rule in Action

Rollins-PCI Construction Charitable Foundation

MISSION STATEMENT: Every day Rollins-PCI Construction follows its guiding principle, our Golden Rule of treating our client like we would want to be treated if our roles were reversed. In that spirit, Rollins-PCI Construction prides itself on contributing within the communities we serve to help make a difference each and every day. We welcome any worthy cause to review our requirements and to submit a Charitable Grant? request for review by our Committee.

Sponsorship proposals are evaluated against several criteria. These criteria have been developed to ensure that Rollins-PCI Construction establishes sponsorship relationships that will mutually benefit Rollins-PCI Construction and the receiving organization.

We regret that we are unable to support the following types of activities because they do not meet the criteria we've set for our corporate sponsorship program.

- Local sports organizations, such as Little League.
- Charitable fundraisers.
- Requests that benefit an individual person or family.
- Religious activities, in whole or in part, for the purpose of furthering religious doctrine.
- Door prizes or raffles.
- School-affiliated orchestras, bands, choirs, drama groups, yearbooks, class parties, or class or team projects.
- General operating expenses.
- Political candidates or organizations.
